

## MAY WEEKENDS 2022

### 1. WHERE IS THE COURSE BEING HELD?

There are two course delivery options. You may opt for a face to face course at Oxford International College or an online course held via Microsoft Teams.

### 2. WHAT TIME DO I START AND FINISH?

You will be sent an email containing your individual schedule confirmation around a week before the course starts, this will denote your timings which may not be the same for all days. Your schedule will either run from 9.30am to 4.20pm or 10.20am to 5.10pm. Face to face students should aim to arrive 10 minutes prior to their class start time to familiarise themselves with the rooming list and to locate their classroom. Online students should aim to be logged into Microsoft Teams 10 minutes before the start of their first lesson in order to allow time to register and ensure their connection is working.

### 3. HOW DO I ACCESS MY ONLINE CLASSES AND WHAT HAPPENS WHEN I LOG IN?

You will be sent an email around a week before the course starts with your own individual @oxford-education-online.com email account, password and guides to teams and online tuition. This will help you set up your account and explain how to access your classes on the day. When you log in on the day, please register with the OXSS teams. They will message you on Teams, so please do get in touch.
