There are so many benefits to optimising your summer holidays and **keeping your studies active!** A Summer Course with Oxford Science Studies isn't just a chance to **revise material** covered last year but to **gain a fresh insight** into material that will follow in the coming year. It is the perfect chance to **get a head start** on new material, key if you are moving from GCSE or IGCSE up to IB or A Level, where the difference in content and knowledge required can be quite substantial. We also mix **learning with fun**, hosting an Evening Entertainment Programme, for our residential students, for you to relax and unwind after study. **A great way to meet students** from different cultures or walks of life and **make friends!**

For further information please contact the OXSS admissions team on info@oxss.co.uk or 01865 240637

- Students may choose one to three subjects per week
- Students will receive a combination of tutorial time and independent exam practice
- Students will experience a small group tuition style, with a maximum of 6 students timetabled per class
 - Residential students will have entry to our evening entertainment programme, including activities such as a trip to the cinema, debate night or Oxford scavenger hunt

This course is suitable for students joining Year 10, 11, 12 or 13, keen to put themselves in the best possible position for the year ahead

This course is offered on a day only or residential basis, located at one of our glorious Oxford locations

Book 1, 2 or 3 weeks of study

Academics

Courses are intensive, providing a structured timetable and environment, geared towards concentrated study and away from distractions. Our teaching approach involves small study groups, each with their own expert tutor. Students will benefit from a mixture of tutorials and exam practice, getting a feel for the type of questions they will be faced with, put new learning into practice and gain an understanding of exam strategy and technique.

Pastoral & Wellbeing

Student wellbeing is of high importance and we ensure that all necessary safeguarding provisions are in place. Our office staff are available throughout the day to assist with any need, from academic to first aid. Our energetic Evening Entertainment Team ensure the evenings activities go off with a bang and our overnight wardens are close to hand at any hour.

£947 per week, day only
£1265 per week, residential
