Summer Course

Join us this summer holidays, in the centre of Oxford, for small group tuition, with expert tutors, in a relaxed learning environment. Build your bespoke timetable, focusing on up to 3 subjects per week.

Suitable for **GCSE, IGCSE, IB & A Level**

Your chance to keep studies active this summer.

Attend for 1 to 3 weeks of study, day only or residential:

Week 1: Monday 28th July to Friday 1st August

Week 2: Monday 4th to Friday 8th August

Week 3: Monday 11th to Friday 15th August

Accommodation is available over the weekend and for Sunday arrivals.

Courses are student led. OXSS offer a relaxed, informal learning environment allowing students the chance to freely ask questions and tailor sessions based on their needs. The timetable is structured, giving students short bursts of intense learning in an environment free from distraction.

OXSS mix learning with fun, hosting an Evening Entertainment Programme, for residential students. A chance for students to relax and unwind after study, to meet students from different walks of life and to make new friends! Activities may include a scavenger hunt around Oxford, debate nights, sports, karaoke, or cupcake decorating.

**Available for most classroom subjects,
